Dan Bellus has arranged for DNR to conduct a 2 Day Hunters Safety Class to be hosted by DGSC on April 28 and 29. Contact Dan Bellus 815-210-9530 for further details.

After hours of work and preparation, the pollinator/food/machine placement plot has been seeded between stations 3-8 on SC. 100% of the expense has been reimbursed from National Pheasants Forever grant and donation from Grundy County Pheasants Forever.
