For Doubles Trap and Skeet only two (2) shells may be inserted in a gun at any time.

In Skeet, station eight high and low houses will be shot separately by squad per NSSA rules. As a safety precaution test shots will not be permitted.

When shooting Handicap Trap there shall be no more than two (2) yards difference between adjacent shooters in the squad.

For Walk Through and Five Stand Sporting Clays only two (2) shells may be inserted in a gun at any time.

A shooter shall place a live shell in his gun only when at the firing line and the gun shall **not** contain a live or empty shell when the shooter is moving from station to station.

When changing stations a shooter should **not** walk in front of other shooters when moving from station to station. In any event shotgun actions should remain open until it is the turn of the individual shooter to shoot, and guns should always be pointed in a safe direction.

Intoxicating beverages may not be consumed on Club grounds during shooting or hunting hours.

Illegal drugs or Federal or State controlled substances are not permitted on Club property at any time.

The Club House is to be thoroughly cleaned, with trash placed in the dumpster. All doors and windows should be closed and locked and lights turned off. No member may use the Club House, in any manner, for personal financial gain.

Outside groups are occasionally permitted to use the Club.

No solicitation for donations for any purpose shall be permitted without the prior approval of the Board of Directors.

DISCIPLINARY HEARING

COMPLAINTS: All complaints of rule violations shall be made in writing, and be signed by the complaining member or member of the Board of Directors. A Copy of the complaint shall be delivered to the member being complained of and the Board of Directors. A hearing on the complaint shall be scheduled and the parties shall be notified in writing of the time, place, and the procedures of the hearing.

If the complaining member fails to attend the hearing, the complaint shall be dismissed. If the accused member fails to attend, it shall be presumed that the member has no evidence or response to present. The Board may then rule accordingly on the complaint. At the Board of Directors meeting, all parties involved in the complaint shall truthfully respond to all questions asked by the Board.

Discipline: No member shall be disciplined, suspended, or discharged except for just cause. The Downers Grove Sportsmen's Club believes in the principle of progressive and corrective discipline. However, in some instances a specific incident may justify immediate and/or severe disciplinary action in and of itself.

Manner of Discipline: If the Downers Grove Sportsmen's Club has reason to discipline a member, it will make every effort to do so in a manner that will not unduly embarrass the member before other fellow members of the Club, or members of the general public.

Oral Reprimands: In cases of oral reprimand, notation of such oral reprimand shall become part of the member's personnel file, and a copy of the reprimand will be given to the member. Other Types of Disciplinary Action: In addition to oral reprimands, other progressive discipline types that the Board may impose shall be **written reprimand, partial or complete suspension of privileges, and/or expulsion from membership.**

Notification of Disciplinary Action: For disciplinary actions other than an Oral Reprimand, prior to notifying the member of the contemplated measure of discipline to be imposed the Board of Directors of the Downers Grove Sportsmen's Club will offer to meet with the member and, if the member requests legal representation, meet with the member and his legal representative to inform them of the reason (s) for such disciplinary action.

Appeal: Any member may appeal the finding of the Board of Directors to the General Membership at a regular members meeting.

Memorials in the amount of \$150.00 are made for Senior Member's and their immediate family. Immediate family is defined to be mother, father, and minor children.

Memorials may be in the form of flowers or a cash donation to the family or to a charity of their choice

.

Process:

The Club Secretary is the point of contact for notification that a Memorial will be required due to the death of a Senior Member.

Upon notification the Club Secretary will arrange for the memorial. The Secretary will also send a sympathy card to the family on behalf of the Club, and whenever possible notice will be published in the Club newspaper.

YOUTH GUNS

Youth Guns are available to Senior Members at a cost of \$2.00. The \$2.00 is a service fee for the cleaning of the guns.

In order to protect the Club from potential liability the member using the Youth Gun is required to use new factory ammunition in these guns. This ammunition must be purchased from the Club at the Shotgun Sports Counter.

Process:

Senior Member - Advise the Shotgun Sports counter of your desire to use one of the Youth guns.

Shotgun Sports counter - On the Gun Log record the date, gun number, member's name, member's FOID number, and have the member sign the log.

Shotgun Sports counter help will attach the member's FOID card to the log, and return it to him when he turns the gun back in.

The gun is to be kept behind the Shotgun Sports counter until the member goes out to shoot. The member is to return the gun to the counter when the round is completed. (This requirement is designed to ensure that new factory shells are purchased for each round shot.)
